INDEPENDENT AUDITORS' REPORT

To the Board of Directors of
Oregon Child Development Coalition, Inc. & Affiliate
Portland, Oregon

Report on the Financial Statements

We have audited the accompanying consolidated financial statements of Oregon Child Development Coalition, Inc. & Affiliate (nonprofit organizations), which comprise the consolidated statement of financial position as of December 31, 2016, and the related statements consolidated of activities, functional expenses and cash flows for the year then ended, and the related notes to the consolidated financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditors' Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditors' judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Oregon Child Development Coalition, Inc. & Affiliate as of December 31, 2016, and the changes in its net assets and its cash flows for the year then ended in accordance with accounting principles generally accepted in the United States of America.

To the Board of Directors
Oregon Child Development Coalition, Inc. & Affiliate

In our opinion, the information is fairly stated, in all material respects, in relation to the financial statements as a whole.

The purpose of that report is to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering Oregon Child Development Coalition, Inc. & Affiliate's internal control over financial reporting and compliance.

Notes to Consolidated Financial Statements

Note 1 – Nature of Activities and Significant Accounting Policies

OCDC and Affiliate is comprised of two entities: Oregon Child Development Coalition, Inc. (the Coalition) and OCDC QALICB. The Coalition, a private not-for-profit corporation founded in 1971, has evolved into the largest child development and childcare network in the state of Oregon.

The Coalition provides family focused comprehensive child development services for children up to six years old. Services are provided through a comprehensive approach to collaboration and partnership with a variety of private and public organizations in the many communities the Coalition serves throughout Oregon.

The Coalition is funded primarily by the of U.S. Department of Health and Human Services, Administration for Children and Families, Office of Head Start, Migrant and Seasonal Program Region XII to operate Head Start and Early Head Start programs in Oregon.

Other sources of funding received by the Coalition include:

- ◆ Region X Early Head Start – Child Care Partnerships to share trainings and technical assistance with existing child care providers to elevate the quality of childcare for infants and toddlers to meet the same high standards as Early Head Start classrooms in nine Oregon Counties;
- ◆ The Oregon Department of Education to operate the Oregon Head Start Program in Marion, Washington, Multnomah, Klamath and Jackson Counties;
- ◆ The Oregon Department of Education Early Learning Division to provide wrap around and after school child care, including infant and toddler child care and a network of family child care provider programs in Clackamas and Jackson Counties;
- ◆ The U.S. Department of Agriculture to provide meals to children participating in Coalition programs;
- ◆ The Oregon Department of Education Early Learning Division to operate Preschool Promise through Clackamas, Washington County, and Marion & Polk Early Learning Hub regions;
- ◆ Miscellaneous grants from various federal, state, local and private sources to provide services to children and families.

On October 4, 2012, OCDC entered into a transaction structured to qualify for the New Markets Tax Credit (NMTC), as outlined in Internal Revenue Code (IRC) Section 45D. As part of the transaction, OCDC formed OCDC QALICB, Inc. a Qualified Active Low-Income Community Business (QALICB), to meet the necessary structuring requirements to qualify for the New Markets Tax Credit. QALICB is a non-profit corporation formed under the laws of the State of Oregon.

Note 1 – Nature of Activities and Significant Accounting Policies (Continued)

The QALICB was established to fund the development and renovation of the property located at 1635, 1657, 1665 and 1679 S.E. Enterprise Circle in Hillsboro, Oregon (the "Enterprise Property") to provide Migrant Head Start, Seasonal Head Start, and Oregon Prekindergarten educational services and related services including a transportation division.

The development and renovation of the Enterprise Property was completed in 2013, and these costs were funded by a combination of restricted capital campaign donations, the issuance of long-term notes by the QALICB payable to the NFF New Markets Fund XVII, LLC (NFF) totaling \$10,560,000, and the issuance of a long-term note by the Coalition payable to US Bank totaling \$7,060,000 of which \$5,803,161 was advanced and payable at December 31, 2016. The proceeds of the US Bank note payable were advanced to the OCDC Investment Fund LLC (an unaffiliated entity) as a note receivable to the Coalition at the same time they were drawn down from US Bank, and the Fund contributed a qualified equity investment to NFF using the proceeds along with other funds as New Market Tax Credits.

In the accompanying notes to the consolidated financial statements, OCDC and Affiliate are collectively referred to as OCDC.

Basis of accounting – The accompanying consolidated financial statements are presented in accordance with the accrual basis of accounting, whereby, revenue is recognized when earned and expenses are recognized when incurred.

Principles of consolidation – The accompanying consolidated financial statements include the accounts of OCDC and OCDC QALICB. All significant intercompany balances and transactions have been eliminated in the consolidation.

Basis of presentation – Net assets and revenues, expenses, and gains and losses are classified based on the existence or absence of donor-imposed restrictions. Accordingly, the net assets of the Coalition and changes therein are classified and reported as follows:

- ◆ *Unrestricted net assets* – Net assets not subject to donor-imposed stipulations
- ◆ *Unrestricted net assets – subject to conditions* – Certain net assets are classified as subject to conditions. These amounts represent unrestricted net assets purchased with Federal funds and are subject to reimbursement to the Federal awarding agency in the event of disposition.
- ◆ *Temporarily restricted net assets* – Net assets subject to donor-imposed stipulations that may or will be met by actions of OCDC and/or the passage of time.
- ◆ *Permanently restricted net assets* – Net assets subject to donor-imposed stipulations that they be maintained permanently by OCDC.

OCDC reports gifts of cash and other assets as restricted support if they are received with donor stipulations that limit the use of the donated assets. When a donor restriction expires, temporarily restricted net assets are reclassified to unrestricted net assets and reported in the statement of activities as net assets released from restrictions.

Note 1 – Nature of Activities and Significant Accounting Policies (Continued)

Revenues are reported as increases in unrestricted net assets unless use of the related assets is limited by donor-imposed restrictions. Expenses are reported as decreases in unrestricted net assets. Gains and losses on investments and other assets or liabilities are reported as increases or decreases in unrestricted net assets unless their use is restricted by explicit donor stipulation or by law. Expirations of temporary restrictions on net assets (i.e., the donor-stipulated purpose has been fulfilled and/or the stipulated time period has elapsed) are reported as reclassifications between the applicable classes of net assets.

There were no permanently restricted net assets at December 31, 2016.

Use of estimates – The preparation of the consolidated financial statements, in conformity with generally accepted accounting principles, requires management to make estimates and assumptions that affect the amounts reported in the financial statements and accompanying notes. Actual results could differ from those estimates.

Cash and cash equivalents – Cash and cash equivalents are generally all short-term investments with a maturity of three months or less.

Grant receivables – Receivables are reported at their outstanding principal amount. Receivables are considered by management to be fully collectible and, accordingly, no allowance for doubtful accounts is considered necessary as nearly all are due from federal, state, county and local government agencies.

Note receivables – As of December 31, 2016, there are notes receivable from OCDC Investment Fund which is part of the NMTC transaction. The notes are secured by the Fund's interest in NFF New Markets Fund XVII LLC, and bear interest at 6.15%.

Note A – Balance due in the amount \$6,234,518 is payable interest only starting November 2013, and each month through and until maximum borrowing of \$6,510,000 was reached on March 13, 2014. Interest only payments continued through September 2014. In September 2014, a lump sum principal payment of \$255,147 was made. Commencing October 15, 2014 monthly installments of \$33,363 including principal and interest are payable. All unpaid amounts are due October 2041.

Note B – Balance due in the amount of \$1,229,600 is payable interest only starting November 2013, and each month through and until October 2019. Principal and interest is payable starting November 2019 in monthly installments of \$10,080. All unpaid amounts are due October 2041.

Fair value measurement – the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date – is used by the Coalition on certain assets. For its investments, the Coalition obtains quoted prices in active markets using the market approach to valuation.

Notes to Consolidated Financial Statements

Note 1 – Nature of Activities and Significant Accounting Policies (Continued)

Fair Value Measurements at Reporting Date Using

Description	Carrying Amount at Year Ended 12/31/2016	Quoted Prices in Active Markets for Identical Assets (Level 1)	Significant Other Observable Inputs (Level 2)	Significant Unobservable Inputs (Level 3)
<u>Assets Measured at Fair Value on a Recurring Basis</u>				
Putnam US Govt. Mutual Funds	\$ 179,081	\$ 179,081	\$ -	\$ -

Investments – Equity securities with readily determinable fair values are stated at fair values as determined by quoted market prices, in the statement of financial position. Unrealized gains and losses are included in the change in net assets.

Investments income (loss) is as follows:

Interest and dividends	\$ 464,559
Unrealized loss on investments	(2,030)
	<u>\$ 462,529</u>

Property and equipment – Property and equipment are stated at cost or, for donated items, estimated value at the date of donation. Property and equipment purchased with federal awards are reported as unrestricted assets, subject to conditions. Should federal funding related to the acquisition of such assets be discontinued, these assets may revert to the federal funding agency. Conditions on such assets are released over the estimated useful life of the assets, which range from 5 to 30 years. Depreciation on property and equipment is calculated using the straight-line method. New equipment and expenditures for repairs and improvements which extend the useful life of an asset exceeding \$5,000 are capitalized; conversely, expenditures for routine repairs and maintenance costs are expensed when incurred. Property and equipment purchased with unrestricted funds of the Coalition or received as contributions are depreciated over the useful lives of the related assets, which range from 15 to 30 years, using the straight-line method.

Donated goods and professional services – A substantial number of volunteers donate significant amounts of their time to the Coalition's program services. Additionally, various vendors provide support by discounting their fees and charges to the Coalition. These donated services and fees are a necessary part of the Coalition's activities and have been reported as unrestricted revenue to the extent that the donated materials and services create or enhance non-financial assets or require specialized skills typically purchased if not originally provided through donation. State of Oregon Department of Education Head Start in-kind contributions totaling \$3,234,816 have been allocated to the various expense classifications below. These contributions do not meet the criteria for recognition under FASB ASC 958-605, *Revenue Recognition* (formerly *SFAS No. 116, Accounting for Contributions Received and Contributions Made*), and are adjusted from total revenues and expenses in the accompanying statement of functional revenues and expenses.

Note 5 – Contingent Liabilities

Management believes the Coalition has been in compliance with all grant requirements and that any expenditure which may be

disallowed would be immaterial in the event that an audit by federal or state representatives is conducted.

Note 6 – Temporarily Restricted Net Assets

Temporarily restricted net assets at December 31, 2016 in the amount of \$139,103 remain available for the purpose of the capital campaign.

Note 7 – Employee Benefit Plan

The Coalition has established an elective deferred compensation plan pursuant to Section 401(k) of the Internal Revenue Code. In 2007 the Plan was changed to a Safe Harbor Plan. All employees of the Coalition are eligible to join the plan and participate in the elective deferral contributions upon date of employment. To be eligible for Employer Matching and Discretionary Contributions employees must complete one year of service. Employees electing to participate may contribute up to their total salary, though not to exceed the maximum allowed by government regulations. The Coalition, at its discretion, contributes five percent of each employee's annual plan compensation and has a mandatory match on participants' elective deferral up to five percent of eligible annual plan compensation of each participant. All contributions are immediately 100 percent vested. The Coalition contributed \$2,004,493 to the plan for the year ending December 31, 2016.

Note 8 – Concentrations

Credit Risk – All of a depositor's accounts at an insured depository institution, including all noninterest-bearing transaction accounts, are insured by the Federal Deposit Insurance Corporation (FDIC) up to the standard maximum deposit insurance amount (\$250,000), for each deposit insurance ownership category. The Coalition maintains its cash and sweep investment accounts with one FDIC-insured bank located in Portland, Oregon. Deposits to these accounts exceed the limits of depository insurance. However, the Coalition considers such deposits as made with a highly-rated financial institution that has not historically incurred any significant credit-related losses.

Revenues – The majority of the Coalition's revenues comes from a grant with the Department of Health and Human Services. The grant is renewed on an annual basis.

Note 9 – Subsequent Events

The Coalition has evaluated contingencies according to FSB ASC 450-20 (*formerly SFAS No. 5*) for subsequent events as of August 29, 2017, which is the date the financial statements were available to be issued. As such, only uncertainties about whether a liability has been incurred or reduced or an asset acquired or impaired give rise to contingencies. There are no known events that have occurred which will materially affect and require recognition in the financial statements for the period ended December 31, 2016.

**INDEPENDENT AUDITORS' REPORT ON INTERNAL CONTROL OVER
FINANCIAL REPORTING AND ON COMPLIANCE AND OTHER MATTERS
BASED ON AN AUDIT OF FINANCIAL STATEMENTS PERFORMED IN
ACCORDANCE WITH GOVERNMENT AUDITING STANDARDS**

To the Board of Directors of
Oregon Child Development Coalition, Inc.
Portland, Oregon

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the financial statements of Oregon Child Development Coalition, Inc. (a nonprofit organization), which comprise the statement of financial position as of December 31, 2016, and the related statements of activities, functional expenses and cash flows for the year then ended, and the related notes to the financial statements, and have issued our report thereon dated August 29, 2017.

Internal Control Over Financial Reporting

In planning and performing our audit of the financial statements, we considered Oregon Child Development Coalition, Inc.'s internal control over financial reporting (internal control) to determine the audit procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the Organization's internal control. Accordingly, we do not express an opinion on the effectiveness of the Organization's internal control.

A *deficiency in internal control* exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A *material weakness* is a deficiency, or a combination of deficiencies, in internal control such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected on a timely basis. A *significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

To the Board of Directors of
Oregon Child Development Coalition, Inc.

Compliance and Other Matters

As part of obtaining reasonable assurance about whether the Organization's financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

Purpose of this Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the Organization's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the Organization's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

**INDEPENDENT AUDITORS' REPORT ON COMPLIANCE
FOR EACH MAJOR PROGRAM AND ON INTERNAL CONTROL
OVER COMPLIANCE REQUIRED BY THE UNIFORM GUIDANCE**

To the Board of Directors of
Oregon Child Development Coalition, Inc.
Portland, Oregon

Report on Compliance for Each Major Federal Program

We have audited Oregon Child Development Coalition, Inc.'s compliance with the types of compliance requirements described in the *OMB Compliance Supplement* that could have a direct and material effect on each of Oregon Child Development Coalition, Inc.'s major federal programs for the year ended December 31, 2016. Oregon Child Development Coalition, Inc.'s major federal programs are identified in the summary of auditors' results section of the accompanying schedule of findings and questioned costs.

Management's Responsibility

Management is responsible for compliance with federal statutes, regulations, and the terms and conditions of its federal awards applicable to its federal programs.

Auditors' Responsibility

Our responsibility is to express an opinion on compliance for each of Oregon Child Development Coalition, Inc.'s major federal programs based on our audit of the types of compliance requirements referred to above. We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States; and the audit requirements of Title 2 Code of *Federal Regulations* Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* (Uniform Guidance). Those standards and the Uniform Guidance require that we plan and perform the audit to obtain reasonable assurance about whether noncompliance with the types of compliance requirements referred to above that could have a direct and material effect on a major federal program occurred. An audit includes examining, on a test basis, evidence about Oregon Child Development Coalition, Inc.'s compliance with those requirements and performing such other procedures as we considered necessary in the circumstances.

We believe that our audit provides a reasonable basis for our opinion on compliance for each major federal program. However, our audit does not provide a legal determination of Oregon Child Development Coalition, Inc.'s compliance.

Opinion on Each Major Federal Program

In our opinion, Oregon Child Development Coalition, Inc. complied, in all material respects, with the types of compliance requirements referred to above that could have a direct and material effect on each of its major federal programs for the year ended December 31, 2016.

To the Board of Directors of
Oregon Child Development Coalition, Inc.

Report on Internal Control Over Compliance

Management of Oregon Child Development Coalition, Inc. is responsible for establishing and maintaining effective internal control over compliance with the types of compliance requirements referred to above. In planning and performing our audit of compliance, we considered Oregon Child Development Coalition, Inc.'s internal control over compliance with the types of requirements that could have a direct and material effect on each major federal program to determine the auditing procedures that are appropriate in the circumstances for the purpose of expressing an opinion on compliance for each major federal program and to test and report on internal control over compliance in accordance with the Uniform Guidance, but not for the purpose of expressing an opinion on the effectiveness of internal control over compliance. Accordingly, we do not express an opinion on the effectiveness of Oregon Child Development Coalition, Inc.'s internal control over compliance.

A deficiency in internal control over compliance exists when the design or operation of a control over compliance does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, noncompliance with a type of compliance requirement of a federal program on a timely basis. *A material weakness in internal control over compliance* is a deficiency, or combination of deficiencies, in internal control over compliance, such that there is a reasonable possibility that material noncompliance with a type of compliance requirement of a federal program will not be prevented, or detected and corrected, on a timely basis. *A significant deficiency in internal control over compliance* is a deficiency, or a combination of deficiencies, in internal control over compliance with a type of compliance requirement of a federal program that is less severe than a material weakness in internal control over compliance, yet important enough to merit attention by those charged with governance.

The purpose of this report on internal control over compliance is solely to describe the scope of our testing of internal control over compliance and the results of that testing based on the requirements of the Uniform Guidance. Accordingly, this report is not suitable for any other purpose.
