We have seen our communities rally and support each other during these times.

Message from the Executive Director

2020 and 2021 will be remembered as the Years of the Pandemic. The world as we have known it drastically changed with the occurrence of the Coronavirus pandemic that invaded our nation in February 2020. The pandemic set in place many chain reactions experienced by OCDC and other Head Start services providers and business as well.

Oregonians (and the world) were introduced to a new concept – ‘shelter in place’ – a directive by state governance. This was the year of dramatic impact on Oregon’s economy, plummeting it in to a very sharp decrease and forcing unemployment to skyrocket to an all-time high. Gatherings were limited and discouraged.

We have seen our communities rally and support each other during these times. Through all the turmoil, OCDC staff rose to the top and creatively and unselfishly served children and families. Staff immediately and continuously developed new ways to provide educational opportunities to students, to perform health screenings with physical distancing, and engaged old and new community partners in up-scaled services.

As Soren Kierkegaard said: “Life can only be understood backwards: but it must be lived forwards”. Although the path forward is not always straightforward, we know we can rely on the resilience, resourcefulness, and social-mindedness of OCDC staff and partners as we move forward.

Donalda Dodson, MPH, RN
OCDC Executive Director

OCDC Mission

The Oregon Child Development Coalition (OCDC) is a private, non-profit corporation established in 1971 that operates early childhood education programs in the state of Oregon and serves over 4,000 children and families in its

- Migrant and Seasonal Head Start and Early Head Start (MSHS/EHS),
- Early Head Start Childcare Partnerships Region X (EHS CCP RX),
- Early Head Start Childcare Region XII (EHS CC RXII), Oregon Pre-Kindergarten (OPK),
- OPK Prenatal to Three (OPK-P3),
- Preschool Promise (PSP), and
- Maternal, Infant, Early Childhood Home Visiting (MIECHV) programs across 13 of Oregon's 36 counties at 25 centers.

OCDC is dedicated to improving the lives of children and families by providing early childhood education, care and advocacy with unique and supportive services to enhance family growth and community success.

OCDC prepares children for school by focusing on early childhood care, education and teacher development, promotes economic opportunities for families and communities by providing services that support the workforce and, in turn, state and local economies, partners with the community by collaborating with dentists, doctors, educators, health care providers, emergency food care providers, school districts, employers and state and local service providers, and practices inclusiveness by welcoming all cultures and languages.

The Agency's efforts to prepare Children for Kindergarten

School Readiness Goals

OCDC has developed agency wide School Readiness Goals. These goals align with the Head Start Early Learning Outcomes Framework, Oregon Early Learning and Kindergarten Guidelines, and OCDC's current Self-Assessment and Quality Improvement Plan (SAQIP) for 2020-2021.

- Goal 1: Children will Increase Self-Regulation skills and establish and maintain positive relationships.
- Goal 2: Children will expand expressive and receptive language skills. Dual Language learners will build home language skills while progressing in their English.
- Goal 3: Children will develop alphabet and phonemic skills.
- Goal 4: Children will develop their problem- solving skills.
- Goal 5: Children will develop their physical wellness.
- Goal 6: Children will demonstrate positive approaches to learning.
- Goal 7: Children and families will enhance the connection with local schools and community.
- Goal 8: Children will develop their Mental Health Wellness.

Under these broad agency goals, county specific objectives for children's learning are developed for each program.

Programs

Calendar Year Programs

Migrant, Seasonal / Early Head Start (MSHS/EHS)

Migrant and Seasonal Head Start and Early Head Start is a statewide federally funded program, that provides comprehensive child development services to children and families. Migrant and Seasonal Head Start serves children of migrant and seasonal farm workers. Early Head Start provides services to pregnant woman, and infants and toddlers ages 0 to 3.

School Year Programs

Oregon Pre-Kindergarten (OPK)

Oregon Prekindergarten serves children of 3-4 years of age and their families. A State funded Head Start program that provides education and child development services, helping prepare young children for school.

Oregon Pre-Kindergarten-Prenatal to 3 (OPK-P3)

Oregon Prekindergarten serves children of prenatal to 3 years of age and their families. A State funded Early Head Start program that provides families with complex social, economic, and health needs the support they need to ensure effective child development in the earliest years.

Preschool Promise (PSP)

Preschool Promise (PSP) offers free, high-quality preschool to Oregon families who are living at or below 200 percent of the Federal Poverty Level in Oregon. Serving children ages three and four, PSP is a publicly funded program and complements other early learning programs such as Oregon Pre-Kindergarten. PSP expands access to culturally responsive early learning programs.

Early Head Start Childcare (RXII EHS CCP)

Early Head Start Childcare Region XII (EHS CC RXII) – serves children who are 6 weeks to 3 years of age and is a federally funded program that provides comprehensive child development services and compliments the Migrant and Seasonal Head Start Services.

Maternal, Infant, and Early Childhood Home Visiting (MIECHV)

This program provides home visits and education for low-income families with infants or toddlers as well as pregnant women. The home visiting program helps connect families to resources they need to ensure their child's healthy development.

Migrant Education (MEP)

The purpose of the Migrant Education Program is to ensure that migrant children fully benefit from the same free public education provided to other children. The MEP helps State and community agencies address the unique educational needs of migrant children to support their academic success. OCDC partners with Migrant Ed to deliver summer programs.

Early Head Start Childcare Partnerships (RX EHS CCP)

OCDC works with child care partners to provide Early Head Start Child Care Partnerships – where child care providers work with our team of specialists and experts to elevate the quality of their child care to meet Early Head Start standards. Children 0-3 years' old who are eligible for Early Head Start can attend these year-round, full day services designed to maximize their developmental potential.

ODE Child Nutrition Program

USDA (US Department of Agriculture) provides nutritious meals and snacks to children and low-income families, through the Oregon Department of Education (ODE) Child Nutrition Programs.

A total of 484,185 meals and snacks were provided in OCDC centers in 2021, averaging 40,349 meals/snacks per month.

OCDC sponsors Child Care Home providers in  counties for the meals served to children.

The Child Care Home program provided 1,002,646 total meals for a monthly average of 334,216. This included breakfast, lunch, dinner, and a snack.

Cynthia Rojas - Wasco
Zahida Guadalupe Avalos - Umatilla

Board Reps

Anna Weller - Washington CR
Juan Carlos Preciado - Jefferson
Lilia Guerrero – Marion

Community Assessment Summary

The 2021 Community Assessment tells the story of Oregon's least served and most vulnerable families and children over the past few years by looking at the social indicators.

The impacts of the Coronavirus pandemic and the wildfires in Oregon cannot be understated, from health, to availability of childcare, to economic insecurity, to the safety of children.

The major findings/trends for children and families in the Oregon counties in which OCDC serves have not changed significantly since the 2019 Community Assessments. The recommendations from the 2019 Community Assessment continue to be valid, but they are now even more intense and relevant due to COVID-19 and the wildfires.

The focus for 2021 must continue to be providing services and working with/supporting families while also addressing the significant challenges that COVID-19 and the wildfires have created and race/ethnicity and the inherent inequities therein, which have been brought into stark contrast over the past year.

As per the Hub reports, most of the families we serve experience multiple vulnerabilities, so supporting families and reducing stressors are even more critically important.

The following are the findings/trends identified in this report and the recommendations for the program based on those findings.¹

Findings / Trends

Need for economic security, including food security, meeting basic needs, and stable housing.

Need for safe, COVID-free, stable living environments free from abuse and/or neglect, including for children in foster care.

Need for affordable and available child care in all Oregon counties.

Need for more children with disabilities to access services.

Audit Results

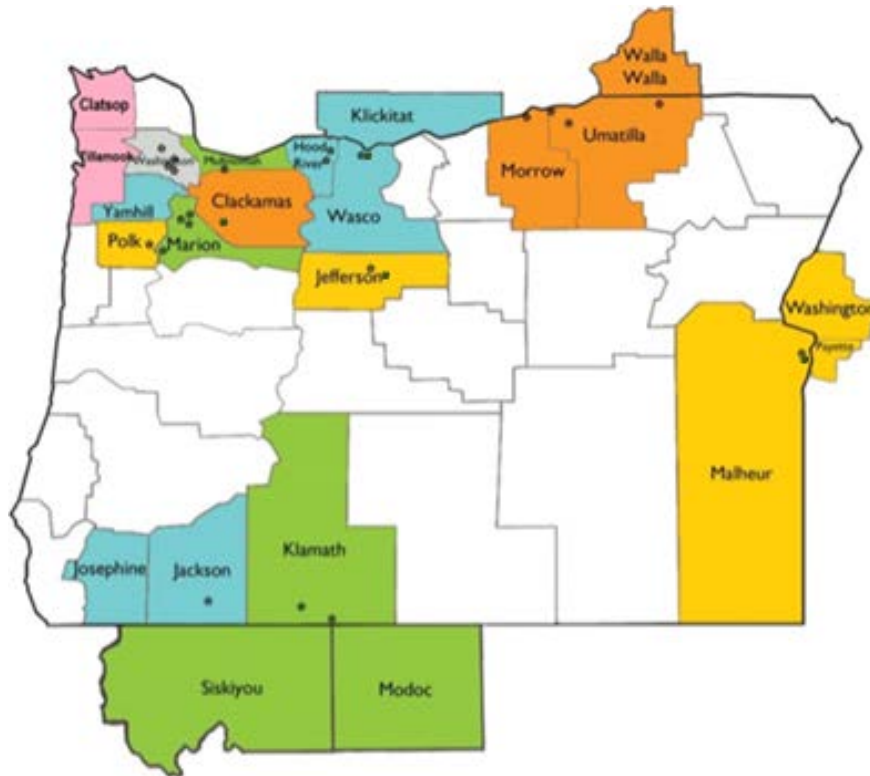

In 2021 the Auditor provided a clean opinion of the OCDC Financial Audit based on review of financial statements resulting in no findings. The Oregon Department of Education conducted the last review of the Oregon Child Development Coalition OPK Program in 2021. There were no deficiencies.

¹ For the full Community Assessment, go to the OCDC Website: <https://www.ocdc.net/wp-content/uploads/2021/07/2020-CNRA-Update-Final-Published-May-2021.pdf>

Service Area

MSHS/EHS: OCDC Service Area

- Clackamas County: Mulino Center
- Hood River County: Odell & Parkdale Centers
- Jackson County: Briscoe Center (Ashland)
- Jefferson County: Madras Centers
- Klamath County: Klamath Falls & Malin Centers
- Malheur County: Nyssa & Ontario Centers
- Marion County: Brooks & Concordia (Salem), Settlemier (Woodburn), & Silverton Centers
- Morrow County: Boardman Center
- Multnomah County: Anderson Center (Gresham)
- Polk County: Independence Center
- Umatilla County: Hermiston, Hermiston UMCS, & Milton-Freewater Centers
- Wasco County: The Dalles & St. Mary's (The Dalles) Centers
- Washington County: Enterprise (Hillsboro), Jose Pedro & Linden (both in Cornelius)

OCDC's recruitment area spans all the above counties, as well as parts of Klickitat and Walla Walla Counties in Washington, Siskiyou and Modoc Counties in California, and Washington and Payette Counties in Idaho.

RXII EHS CC: OCDC Service Area

The RXII EHS-CC program provided services in the following 9 Oregon counties at 12 centers for the 9/01/2020 through 8/31/2021 program year (as of 8/31/2021).

- Clackamas County – Mulino Center
- Jefferson County – Culver Center
- Malheur County – Ontario Center
- Marion County – Brooks, Woodburn, and Keizer Centers
- Morrow County – Irrigon and Boardman Centers
- Umatilla – Hermiston Center
- Wasco County – The Dalles Center
- Washington County – Forest Grove, Jose Pedro (Cornelius), and Enterprise(Hillsboro) Centers and the partner site Adelante Mujeres (Cornelius)
- Yamhill – McMinnville, Dayton, Dundee, and Carlton Centers

- Other Grant and Contracts: \$1,230,125
- Other Non-Governmental: \$257,652

Kindergarten Readiness Data

OCDC provides a variety of opportunities to support preparing children and families for the transition to kindergarten and ongoing school readiness. This includes transition activities to visit the local schools, Kindergarten Teachers visits to OCDC, family nights, Summer school with the public school, and classroom group and individual school readiness activities. Families are an integral partner in any part of the transition planning.

OCDC promotes the social and emotional well-being of children, families, and staff as the priority and primary focus of kindergarten and school readiness. This is promoted by the intensive implementation of the Pyramid Model framework, Second Step Curriculum, and the Early Childhood Mental Health Consultation model.

Children, staff and family's social and emotional wellbeing and needs are/were the primary focus of School Readiness/Kindergarten Readiness. During the 2021 program year, the pandemic continued to affect OCDC in center services, with periodic and unpredictable closings of classrooms and sites due to COVID-19 positive cases and exposures.

Agency Child Outcome Data is aggregated primarily, from the My Teaching Strategies online data system. OCDC teachers input observations that measure children's developmental progression, or growth, in seven domains of learning: Social and Emotional, Gross Motor, Fine Motor, Language, Cognitive, Literacy, and Math. Each domain of learning has objectives that teachers use to measure the progression of the children's development during the program year. The following chart displays the progression of learning percentages of children meeting/or exceeding the development and learning expectations for their age range in all domains except Literacy.

The 2020-2021 Agency Child Outcome Data for:

1. RXII program has shown the progression of learning percentages of children meeting/or exceeding the development and learning expectations for their age range in all domains except Literacy.
2. Early Head Start has shown the progression of learning percentages of children meeting/or exceeding the development and learning expectations for their age range in all domains except Cognitive, Spanish Language, Mathematics, Literacy, Physical, Social and Emotional, and Spanish Literacy.
3. Migrant and Seasonal Program has shown progression of learning percentages of children meeting/or exceeding the development and learning expectations for their age range in all domains except Cognitive, Spanish Language, Mathematics, Literacy, Physical, Social and Emotional, and Spanish Literacy.

This data has been used to create Training and Technical assistance plan to promote strengthening in all the development and learning areas indicated from the 2020-2021 data aggregation. The T/TA plan is associated with the Agency School Readiness goals and plan.

Parent Engagement Activities

Parents are involved at all levels of the program:

- Budget and Program planning
- Policy Council Representatives
- Community Representatives
- PFCE (Parent, Family, and Community Engagement) Representatives
- Representatives to Board of Directors

OCDC held parent engagement activities differently in the 2021 program year due to COVID-19 in-person meeting restrictions. Some parent engagement activities included the following:

- Jackson County Training: Abriendo Puertas (Opening Doors)
- Washington County Community FEAST Event: Engaging Our Food Systems
- Jefferson County Fair: Table
- Washington County: Shirt Drive for Farmworkers
- Polk County: Free COVID-19 Vaccination Clinic
- Tri-County: Resource Fair and Vaccination Clinic

OREGON CHILD DEVELOPMENT COALITION

Se complace en invitarle a participar
en el Programa para Padres

Abriendo Puertas *3ra Edición

"Desarrollando un Futuro Mejor a Través del
Liderazgo de los Padres"

Podrá desarrollarse como:

- El primer maestro de su hijo/a
- Líder de su familia
- Responsable de su salud emocional
- Alcanzar el éxito familiar

Abriendo Puertas
Opening Doors

Lugar: vía ZOOM

Fecha: Cada miércoles, comenzando el 17 de Febrero hasta el 28 de Abril
(10 semanas)

Horario: 6:00 pm – 7:30 pm

*CUPO LIMITADO

Para registrarse:

If you have questions, please contact Mayra.polanco@ocdc.net

3/18/2021 – 4/22/2021: Washington County hosted two FEAST community events entitled,

Engaging Our Food Systems

The purpose of these event s(funded by a grant from the Oregon Food Bank) is to begin planning community projects aimed to build a more equitable and resilient local food system.

We would like you to be a part of our
F.E.A.S.T!
(Food, Education, Agriculture, Solutions, Together)

Oregon Food Bank's Community FEAST program provides an opportunity for the community to engage in an informed and facilitated discussion about their food system and begin to work towards solutions that will help build a more equitable and resilient local food system.

Exploring Our Food Environment
March 18, 2021
5:15pm - 7:30pm

Register at:
<https://ocdc-exploring-our-food-environment.eventbrite.com>

¡Nos gustaría que participe en nuestro proyecto de
¡F.E.A.S.T!
(Comida, Educación, Agricultura, Soluciones, Juntos)

El Proyecto comunitario FEAST del Banco de Comida de Oregon ofrece una oportunidad para la comunidad a participar en discusiones facilitadas e informativas sobre su sistema alimentario. Los participantes trabajarían en crear soluciones que ayuden a construir un sistema alimentario local más fuerte y equitativo.

Explorando Nuestro Entorno Alimentario
18 de marzo del 2021
